Land Acknowledgment

We acknowledge that we are on an age-old Indigenous territory, a place of meeting and diplomacy between peoples and the site of the signing of the Great Peace treaty. We thank the Kanien'keha'ka (Mohawk) nation for their hospitality on this unceded territory.

New Zealand will have a new 'well-being budget,' says Jacinda Ardern (WEF, 2019)

Governments should put wellbeing of citizens ahead of GDP in budget priorities, Iceland PM urges
(The Independent, 2020)

The economy of wellbeing: what is it and what are the implications for health?

Jonathan Cylus and Peter Smith consider how measurement of wellbeing might be used to set public sector priorities
(BMJ, 2020)

Well-being in Public Policy: Should Governments Worry about Happiness? (Hill Notes, 2020)

**Budgets need to reflect there is more to health than
fighting COVID-19** (The Toronto Star, 2020)

Britons want quality of life indicators to take priority over economy

**Polls finds majority would like ministers to prioritise health and
wellbeing over GDP during coronavirus crisis** (The Guardian, 2020)

GDP numbers only offer a partial measure of
Canada's wealth, ignoring the factors that
tell us whether our well-being is sustainable
in the long term. (Policy Options Politiques, 2020)

**Minister of Middle Class Prosperity and Associate Minister of Finance
Mandate Letter** (Office of the Prime Minister, Canada, 2019)

I will expect you to work with your colleagues and through established legislative, regulatory and Cabinet processes to deliver on your top priorities. In particular, you will:

- Lead work within the Department of Finance, with the support of the Minister of Families, Children and Social Development and the Minister of Innovation, Science and Industry as the Minister responsible for Statistics Canada, to better incorporate quality of life measurements into government decision-making and budgeting, drawing on lessons from other jurisdictions such as New Zealand and Scotland.

How would you describe your level of knowledge with regards to wellbeing budgets?

Outline

Main questions

- What do we mean by wellbeing and wellbeing budgets?
- How is wellbeing related to public health practice?
- Is a wellbeing approach a promising one in the wake of the COVID-19 pandemic?

- Presentations by guest speakers
- Exchange with guest speakers
- Questions from participants

Joining us today

Chris Barrington-Leigh, PhD. Associate Professor, Institute for Health and Social Policy & Bieler School of Environment, McGill University

Lindsay McLaren, PhD. Professor, Department of Community Health Sciences & O'Brien Institute for Public Health, University of Calgary
